

# 1908 NOSTALGIA

It's real 90s nostalgia now. The 90s as a big waiting room in the emergency ward of the American hospital. A whole maudlin decade which stretches before us like a theatre of cruelty. Frenzied nostalgia, then, for a past which never existed. Like *Twin Peaks* -- a perfectly bimodern TV show which oscillates between primitive mythology and hyper-rationalism. Or the whole retro craze of the Rolling Bones, cocooning, comfort food, 50s TV families (*Elvis*) and retro sex.
