## PERMITS ISSUED BY ARCHAEOLOGY & REGISTRY SERVICE BRANCH, JANUARY-FEBRUARY, 2004

Permitted project descriptions as provided by the Archaeology & Registry Services Branch have been edited for brevity and clarity. The assistance of Ray Kenny (Manager, Archaeological Permitting) and Al Mackie (Heritage Resource Specialist) in providing this information is gratefully acknowledged.

**Note:** Information about some Permits is subject to restrictions imposed by the new Federal privacy regulations. Thus, Site Alteration Permits issued to private landowners do not identify those Permit-holders by name, or provide exact addresses or legal descriptions for their properties. The federal privacy regulations do not apply to corporate developers, or archaeologists who hold permits of various kinds.

Glossary of Abbreviations: A number of recurrent abbreviations may not be familiar to many readers of *The Midden*, and the most common of these are explained here.

**Permit types**: ALT = Alteration; INS = Inspection; INV = Investigation.

Archaeological project types: AIA = Archaeological Impact Assessment; AIS = Archaeological Inventory Study; SDR = Systematic Data Recovery.

**Forest industry terms**: CMT = Culturally Modified Tree; CP = Cutting Permit; FD = Forest District, FL = Forest License; MoF = Ministry of Forests; SBFEP = Small Business Forest Enterprise Program; TFL = Tree Farm License; TL = Timber License; TSA = Timber Sales Area.
