**International Council for
Archaeozoology (ICAZ)
International Conference**

23-28 August 2006
Mexico City, Mexico

The main objectives of this conference are to promote archaeozoology in the Third World and to open avenues of communication between Latin American archaeozoologists and archaeozoologists in other countries.

The call for sessions has been issued by the conference organizers, Joaquin Arroto-Cabral and Oscar J. Polaco. The deadline for symposium proposals is the end of May 2005.
